Hebrews 11:7

“By faith Noah, when warned about things not yet seen, in holy fear built an ark to save his family. By his faith he condemned the world and became heir of the righteousness that is in keeping with faith.”

Study Questions-

1. Hey, some of us were at Summer Camp last Sunday. Would anyone like to give a testimony from their experience (maybe you weren't there on Wednesday or maybe you were)?

Students can read the **account of Noah** in **Genesis 6:9-Genesis 9:17** on their own later 😊

2. How do you think people treated Noah as he built the ark (huge boat) in preparation for “the flood” and it had never rained before? Noah, truly had to act on **blind** faith because it required something he didn't fully understand, nor had he experienced yet.
3. Why would God ask us to do something that we don't fully understand?
4. What is the last thing you believe God asked you to do? Have you done it, why or why not? (**E.I.- A life being transformed by Christ at some point will be backed up by a changed life = change in our behavior**).
5. Sometimes, like Noah, God calls us to make a stand for Him (go against the current of culture) and to be bold. What would that look like for you?
