Title: Get a Revelation of God

Pastor DJ Vick / 7.26.26

**Read-** Job 42:1-16

**Other Scriptures from Sermon:** Job 38-41; Isaiah 43:1-2; & Is. 53:3-5; & Romans 5:3-5

**Big Idea:** Get a Revelation of God

**Questions:**

1. What is your takeaway from our journey (series) in the Book of Job?
2. How might you make space for God when you're going through a difficult time? (In the Book of Job we don't see God consulted until He intervenes in chapter 38).
3. Job had a lot to say about his suffering, but his friends had way too much to say and much of it was inaccurate (chapters 4-37). Why is learning to discern God's voice of truth imperative (majorly important) in our life especially when we're suffering or dealing with loss?
4. Read the following two passages as a group:
  1. Romans 5:3-5
  2. Isaiah 53:3-5 (Messianic Prophecy about Jesus)
  3. After reading these passages and absorbing the truth and wisdom they offer us why should we "trust God in the process" of our pain and suffering?
5. Here was Pastor DJ's revelation (take away) from our journey in Job. Read it. Do you agree with it? Why or why not?
  1. Christ embraced the suffering necessary for our salvation. We must embrace the sacrifice(s) and suffering necessary for our sanctification (to be made holy).
6. Please take time to pray especially for anyone going through a difficult time.
